Coronavirus / Covid 19 Community Self Help

**Do you need assistance?
Are you willing to help?**

Get in touch with Speen Parish Community Assistance Self Help Forum

Your parish council sponsored Facebook Page '**Speen Parish Community Assistance**' is linking those in need with those willing to help.

Unable to access Facebook? **Text 'HELP' to 07840 466710** and a Speen Parish Volunteer will call you back within 24 hours

We already have a good number of volunteers willing and able to help across the parish - Speen, Stockcross, Marsh Benham, Bagnor, Woodspeen and surrounding areas. We can offer assistance (shopping, prescription pick-up etc, or just a chat) to compliment other local community self-help groups.

All volunteers will follow government guidelines; if you are unsure what these are, let us know by texting **07840 466710** or visit the Facebook page. Volunteers will only enter your property in the event of an emergency.

General Data Protection Regulations – Information Commissioner's Office Guidance. During the current coronavirus pandemic the parish council and volunteer groups may need to use the personal data (name, address, email, and/or phone number) of vulnerable and at risk individuals which has been supplied by themselves or by relatives to ensure they are fully supported during the current crisis. The information held will be used for this purpose alone and will be deleted once the pandemic is at an end. Individuals contacting the parish council for assistance through this scheme will be considered to have given consent for their data to be used for this purpose.

Please don't hesitate - if you need assistance, can help or want to link up with others in the parish –
