Help local children in Leeds

Leeds City Council is urging anyone who has ever thought about fostering to please get in touch. We urgently need to recruit more part-time and full-time foster carers, as well as supported lodgings providers, in your area. Ideally we are looking for people and families to care for young people aged 11+ and children with disabilities but we will work with you to ensure a suitable match.

 foster4leeds.co.uk

 0113 378 3538

We need people and families from all backgrounds to reflect the children and young people they would be willing to care for.

By fostering for your local council you ensure that children and young people are kept in Leeds, near their birth families, friends and schools.

As a local council foster carer you will receive a good level of financial support, ranging from £180 to £400 a week, a dedicated fostering social worker to advise and guide you, local support groups where you will meet experienced carers and comprehensive training

We are your local 100% not for profit fostering agency run by and for the people of Leeds.
