

Lego Treehouse Adventure

Online event

Half Term Week 15th-19th February

Leeds Libraries Lego Club invites you to an in-tree-guing adventure as we embark on an escape game you can play from your living room – with Lego! Inspired by author Andy Griffiths' book 26-Storey Treehouse, this interactive multimedia challenge will be available to play at your leisure throughout half term. Sign up to overcome tree-als and tree-bulations that will have you shaking like a leaf all week!

You can also enjoy our past Lego Club activities on our Leeds Libraries YouTube playlist [YouTube.com/LeedsLibraries](https://www.youtube.com/LeedsLibraries)

This event is free but requires a ticket. Sign up at <https://www.ticketsource.co.uk/leedslibraryevents>
