

WENTLOOGE COMMUNITY COUNCIL

Supported by

PRAID Peterstone Residents Against Inappropriate Development

“ Protecting Wales ONLY Green Belt and the Gwent Levels Environment for Future generations”

As we are receiving many reports of enhanced criminality, waste and fly tipping from residents in Peterstone, Marshfield and St Brides we are pleased to offer these important contact details. In particular we draw your attention to the telephone surgery being held by Gwent Police and urge you to engage with this process. If your concerns are not documented the Police are not able to direct valuable resources to the area.

Gwent Police Surgery

Sunday 5th July 2020 From 1pm - 3pm and every 1st Sunday of the month from then on

Claire Montgomery Brown, Community Support Officer will be conducting a telephone surgery for residents who wish to discuss any issues with Policing or if you need re-assurance regarding ongoing challenges.

Contact details for Claire and the rest of the Area Policing Team can be found at www.gwent.police.uk/your-area/ward.html?wardId=NP02

Please call 07870910742 at any time between 1pm and 3pm on Sunday 5th July

Police reporting

Crime to 101

Serious crime to 999

Anonymous reporting of crime or suspicious behaviour to Crimestoppers 0800 555111 or crimestoppers-uk.org

Download the **Gwent Now** Police app for reports on crime and scams.

Useful apps for Newport Council

www.thenoiseapp.com **The Noise App - Report Noise Nuisance** this will record and submit your complaint

My Newport app can be downloaded from the council site and allows you to report most items of concern as listed above plus a general report option.

Natural Resource Wales

What can be reported?

Report serious illegal dumping

- damage or danger to the natural environment
- wildlife crime that has already been committed (current incidents should be reported to the police via the non-emergency number, 101)
- damage or destruction of bat roosts
- pollution of water or land
- **poaching or illegal fishing**
- fish in distress or dead fish
- **suspected illegal tree felling**
- **suspected tree disease**
- blocked main watercourses that might pose a risk of flooding
- illegal abstraction (removal of water) from watercourses
- suspected alterations to watercourses made without our consent (eg dredging, straightening, impounding or works to the bank or bed)
- unusual drops in river flow
- damage to Sites of Special Scientific Interest
- burning of commercial, industrial or hazardous waste, such as asbestos, without a licence
- **large scale dumping of waste, including certain hazardous waste** (more than a lorry load)
- illegal waste sites and unlicensed waste carriers
- illegal activities relating to **certain invasive non-native species (invasive alien species)** (keeping, breeding, use or exchange, sell or advertise, allow to grow, cultivate or permit to reproduce, release into the environment or transport (except for eradication purposes))
- sightings of **certain invasive non-native species** spreading from NRW's own or managed estate.
